2 Look at the number in column A. Take the “TEMPLATE_to_copy” and create a copy. Rename that tab with the number of the game that you want to annotate.

3 Annotate the video.

Work according to this video:

https://drive.google.com/file/d/1oZ7UGHQuYIf-sknZGapzgRJQhHYzlvSB/view?usp=drive_link

Keep these remarks in mind:

- keep an eye on defence touches (ALL TOUCHES COUNT AS DEFENSIVE TOUCHES)
- remember to record all swings (to record all the double faults)
- use the notes column for errors, redos, observer calls
- keep ALL points, even if they are a redo (then you have them twice, that's okay)
- record observer calls as they are called

This is how a double fault looks like:

#P	COP	LPT	DF Check (automatically)
1	0	0	0
2	0	0	1

This is how an ace looks like:

#P	COP	LPT	DF Check (automatically)
1	0	0	0
2	1	0	0

This is how a “point won on serve” looks like (enough pressure through the serve so the opponents cannot come to a side out):

#P	COP	LPT	DF Check (automatically)
1	0	0	0
2	1	2	0

This is how a clean side out looks like:

#P	COP	LPT	DF Check (automatically)
1	0	0	0
2	2	0	0

This is how a side out with a defensive touch looks like:

#P	COP	LPT	DF Check (automatically)
1	0	0	0
2	2	1	0

This is how a rally looks like:

#P	COP	LPT	DF Check (automatically)
1	0	0	0
2	3	2	0

4 Ask questions about unclear points in the slack!

5 If you are done, take the stats and put them into the overview sheet.

Stats (automatically)		
Type of Point	Number	Percent
Double Faults	0	0.00%
Points Won On Serve (1 COP)	0	0.00%
Aces (1 COP & 1 or 0 LPT)	0	0.00%
Sideouts (2 COP)	0	0.00%
Sideout With Defensive Touch	0	0.00%
Rallies (3+ COP)	1	100.00%
Total Points Played	1	100.00%

6 Change the status of your game to “done” and go ahead with the next one :)
